NUTS + SEEDS

OG GIANT CASHEWS

Our Organic Cashews are big on size, taste and nutrition. Each one provides sweet, buttery flavor that really comes through in the crunch.

OG PUMPKIN SEED

Our grade AA Organic Pumpkin Seeds may be small in size, but they're big on benefits particularly for skin, hair and overall health.

OG VALENCIA ALMONDS

Our Organic Almonds are imported directly from Spain for a more complex, earthy flavor than ones typically grown in California. Enjoy the distinctively different, decidedly delicious taste experience with every handful.

OG WALNUTS HALVES & PIECES

Our Organic Walnuts are the prize of Sacramento Valley. We prefer the Chandler variety for their large, smooth texture. The extra light, high-quality kernels can be enjoyed in many ways.

CRYSTALLIZED GINGER CHUNKS

Our Crystallized Ginger Chunks come all the way from Fiji's largest island Viti Levu. Fiji Ginger has a distinctive flavor profile that's peppery with hints of lemon zest.

OG D'AGEN PITTED PRUNES

Our Organic D'Agén Pitted Prunes are harvested in Sutter County, California. The soft texture and sweet taste has made it a culinary staple for centuries, but feel free to enjoy it right out of the package.

PLANT BASED CHIPS

OG LIGHTLY SALTED PLANTAIN CHIPS

Our Organic Plantain Chips are cultivated in Ecuador, roasted in palm oil and then lightly dusted in sea salt.

SALTED BEET CHIPS

Our Salted Beet Chips are made using vacuum fried in non-hydrogenated oil with no artificial colors, flavors, preservatives or chemicals. The result is an earthy, sweet snack that is both vibrant and delicious.

SALTED VEGGIE CHIPS

Our Salted Veggie Chips are a wonderfully crunchy combination of sweet potato, squash, carrots, taro and green beans all sliced to perfection. We maintain the natural color and flavor to ensure each one is as distinctive as it is delicious.
